

Anne Arundel Community College (AACC) School of Continuing Education and Workforce Development

<https://www.aacc.edu/about/schools-of-study/continuing-education/>

At AACC, you can take credit or non-credit courses that will help you

- *get a job,*
- *change careers or*
- *advance in your current career.*

Credit hour costs and payment

How much does it cost to pursue a degree or take classes for college credit? Learn about the cost for credit hours, financial aid and scholarships, paying your bill, the credit payment plan.

Noncredit costs and payment

Costs are calculated by the course (instead of by the credit hour) and are paid at the time of registration. Learn about various ways to pay for noncredit classes and the noncredit payment plan.
