

you can **Grow Food -**
no garden needed!

**Got sun?
And water?**

**Then you can
grow food!**

**We can help you
get started**

**Then you tell us
how it's going!**

Our Container Gardening Starter Kit
has what you need to get your
growing "off the ground" -
*2 planting containers, soil, plant food,
vegetable plant and seeds, tools*
plus
instructions from experienced gardeners !

**Send us a photo of your plants
each Monday for the first
ten weeks.**

Connect with us on Facebook
or by email -
communityalliancesc@gmail.com

**Plant today your
food for tomorrow**
